What POE members say

I continue to be impressed with POE. Originally I joined because the dues fit well in my budget, but from the effectiveness of their legal team,

to their informed approach in monitoring state legislation, I am so glad POE is on my side. POE really has an educator's needs as their highest priority and I am very glad I am a member.

– Summer Proffer,
Grove Public School

I decided to switch to POE because I have seen and heard positive reviews from the membership.

– DeAnna Gaines,
Star Spencer Mid-High School

POE has been the perfect fit for me as an educator and then as an administrator. I have called upon this organization many times to

answer questions and get feedback. After 33 years, I retired and plan to continue to be a member of POE and support this amazing group that helps education in every way.

– Brenda Quinn, Retired
Sweetwater Public Schools

Government Relations

Focusing on education issues only, POE's government relations team works on behalf of our members to pursue positive educational change. As a nonpartisan organization, POE is the only teacher association in Oklahoma whose members direct all lobbying efforts through annual and special legislative surveys. During Session, members stay informed with weekly legislative updates.
